### **Telos Corporation hires Channel Communications to revamp its branding**

*The new assignment continues to build on work The Channel Team has done for Telos over the last two years*

Washington DC, September 1, 2005 — The Channel Team announced today that it has been hired by Telos Corporation to revamp the company's marketing collateral system with new branding.

Telos is a IT solutions provider whose customers are primarily agencies of the U.S. Government including military services, defense agencies, Department of Homeland Security, Treasury Department, U.S. Courts and other civilian agencies.

The Channel Team has performed on-going work for Telos on a variety of assignments over the last two years. This new assignment is to develop a rebranded look and feel for the company and design a set of marketing collateral, including a high-level company brochure and portfolio folder, a series of program brochures and product data sheets, as well as a new trade show exhibit.

The Channel Team, with offices in Washington DC and Baltimore, MD provides a full range of integrated services including branding, marketing and advertising, direct marketing, corporate communications, broadcast and interactive media.
